

The locatable, salable, and leasable mineral estates, with the exception of geothermal resources, have been determined to have no known value. Therefore, the mineral estate, excluding geothermal resources, will be conveyed simultaneously with the surface estate in accordance with Section 209(b)(1) of Federal Land Policy and Management Act of 1976. Acceptance of the sale offer will constitute application for conveyance of the available mineral interests. The sale proponent will be required to submit a \$50.00 nonrefundable filing fee for conveyance of the mineral interests specified above with the purchase price for the land. Failure to submit the nonrefundable fee for the mineral estate within the time frame specified by the authorized officer will result in cancellation of the sale.

Upon publication of this Notice of Realty Action in the Federal Register, the lands will be segregated from all forms of appropriation under the public land laws, including the mining laws, but not the mineral leasing laws or disposals pursuant to Sections 203 and 209 of FLPMA. The segregation shall terminate upon issuance of a patent or other document of conveyance, upon publication in the Federal Register of a termination of segregation, or 270 days from date of this publication, whichever ever occurs first.

The patent, when issued, will contain the following reservations to the United States:

1. A right-of-way thereon for ditches and canals constructed by the authority of the United States, Act of August 30, 1890, (43 U.S.C. 945);

2. Geothermal resources;

And will be subject to all other valid existing rights.

For a period of 45 days from the date of publication in the Federal Register, interested parties may submit comments to the District Manager, Battle Mountain District, 50 Bastian Way, Box 1420, Battle Mountain, NV 89820. Any adverse comments will be evaluated by the State Director, who may sustain, vacate or modify this realty action and issue a final determination. In the absence of timely filed objections, this realty action will become a final determination of the Department of the Interior.
